First student internship in the Coordinator's Staff completed

In the period from July 1st, 2019 to August 30th, 2019 the first student internship took place at the Energy Regulatory Office in the Coordinator's Staff.

Within two months, the intern, Mr. Jan Krześniak, a student of the fourth year of the Law Faculty at the Warsaw University, had the opportunity to acquire the information on specifics of the proceedings conducted by the Coordinator and how the Office operates.
