Coordinator attending the NEON (National Energy Ombudsmen Network) General Meeting

On February 5th, 2020 in Barcelona a general meeting of members of the NEON association (hereinafter NEON), whose member and president is the Coordinator for negotiations to the President of the ERO, took place and was chaired by the Coordinator as the president.

Members present at the general meeting discussed, inter alia, on the prospects enabling United Kingdom to retain their full membership in NEON, as well as entities from countries outside the European Union seeking full membership in NEON.
